Monthly Rate £22.48

Total amount payable if loan runs for 7 months £407.36

Total charge for credit £157.36

Interest rate 107.88% pa (fixed) equivalent to 8.99% per month

Representative APR 130.9%

What is an APR?

An APR (Annual Percentage Rate) is the cost of credit expressed as a yearly rate.

A Pawnbroking Loan is not designed to be a long-term loan.

A Pawnbroking Loan charges interest monthly which means the cost of credit could work out to be cheaper than an unauthorised bank overdraft.

Representative APR 130.9%
